### **ADDENDUM TO PROOF OF CLAIM**

1. Claimant files this Proof of Claim pursuant to Federal Rule of Bankruptcy Procedure 3002 and 9010.

2. On or about the dates shown on Exhibit A, Claimant and one or more Debtors<sup>1</sup> entered into written and verbal cattle feeding agreements (the “Agreements”). Under the Agreements, Debtor would act as a dealer and procure cattle on behalf of Claimant and Claimant would pay Debtor for the procured cattle. Debtor would place the cattle in Debtor’s facility for care and feeding for a period of 90-120 days on average. Once the cattle gained enough weight to be sold to a feedyard, Debtor, again acting as dealers, would sell the cattle on Claimant’s behalf to a feedyard. Debtor would (1) remit the purchase price of the cattle to Claimant and pay Claimant the agreed upon portion of the profit from the sale of cattle; (2) or pay Claimant only the agreed upon portion of the profit from the sale of cattle and use the proceeds to pay for other cattle; or (3) use the proceeds and profit from the sale of cattle towards another purchase of cattle made by Debtor. This proof of claim represents the amounts owed to Claimant for cattle that should have either been on hand at Debtor’s facility, but were not, or the amounts due to Claimant for the sale of the cattle without the remittance of the sales proceeds.

Claimant is owed \$9,997,068.00, representing the purchase price for the cattle paid for by Claimant. The backup documentation and other supporting documentation relating to the cattle purchases made by Claimant are attached to this Proof of Claim. These documents may include invoices for the purchase of cattle, the projected close out, the close out reflecting the sales price of the cattle, the cost and the profit, and proof of payment (including banking documents documenting Claimant’s payments made to Debtors). In addition, the transactional documents show how the purchase price for cattle rolled over into other subsequent purchases of cattle during Claimant’s business dealings with the Debtors.

3. In April 2023, Claimant became aware of Debtors’ and Brian McClain’s fraudulent acts which included disappearance of cattle or the inability of the Debtor or Brian McClain to account for many thousands of cattle and millions of dollars in cattle proceeds. Claimant’s claims arise out of these acts. Pursuant to these claims and the Agreements executed between Claimant and Debtor, Claimant is entitled to recover the amount owed, plus damages and fees resulting from the collection as allowed under applicable law.

4. As of April 28, 2023, (the “Petition Date”), the Debtor was liable to Claimant for all obligations in accordance with the Agreements between the parties, for fraud, conversion, and other related claims as allowed under applicable law.

5. To the extent permitted under the Bankruptcy Code, the Debtor is also indebted to Claimant for all claims incurred by the Debtor to Claimant from and after the Petition Date. Pursuant to the terms of the Agreements between Claimant and Debtors, but subject to the applicable provisions of the Bankruptcy Code and orders of this Court, the Debtor is indebted to Claimant for all costs

---

<sup>1</sup> The term “Debtors” as used herein shall refer to McClain Feedyard, Inc., McClain Farms, Inc., and 7M Feeders, Inc. This proof of claim will be filed in each of the Debtor’s bankruptcy proceedings to ensure that the proper Debtor is responsible for the claim.

and expenses incurred by Claimant from and after the Petition Date in connection with the claims asserted herein (including, without limitation, legal fees and expenses) and for post-petition interest on all claims of Claimant.

6. Claimant does not waive, and expressly reserves, all rights and remedies at law or in equity that it has or may have against the Debtors and/or any other person or entity. Claimant reserves the right to amend and supplement this Proof of Claim for any purpose, including, but not limited to, (1) specifying and quantifying costs, expenses and other charges or claims incurred or owed, (2) fixing or liquidating any claims stated herein or under the loan documents between the Debtor and Claimant, (3) specifying claims for ongoing obligations of the Debtor that are not expressly described herein, and (4) asserting any additional claims for secured status or priority. Claimant further reserves the right to file and assert any additional claims or requests for payment of administrative expense of whatever kind or nature that may be or later become due from the Debtors under any agreements or otherwise, including, without limitation, any secured, priority, administrative expense or general unsecured claims under the Bankruptcy Code, whether known or unknown, liquidated or unliquidated, choate or inchoate, disputed or undisputed, or contingent or fixed.

7. The filing of this Proof of Claim is not and shall not be deemed or construed as: (a) a waiver or release of Claimant's rights against any person, entity, or property, including the Debtors, that may be liable for all or part of the claims set forth herein; (b) a waiver or release of Claimant's right to trial by jury in the Bankruptcy Court or any other court in any proceeding as to any and all matters so triable therein, whether or not the same be designated legal or private rights, or in any case, controversy, or proceeding related hereto, notwithstanding the designation or not of such matters as "core proceedings" pursuant to 28 U.S.C. § 157(b)(2) or whether such jury trial right is pursuant to statute or the United States Constitution; (c) a consent by Claimant to a jury trial in the Bankruptcy Court or any other court in any proceeding as to any and all matters so triable therein or in any case, controversy, or proceeding related hereto, pursuant to 28 U.S.C. § 157(e) or otherwise; (d) a waiver or release of Claimant's right to have any and all final orders in any and all non-core matters or proceedings entered only after de novo review by a United States District Court Judge; (e) a waiver of Claimant's right to move to withdraw the reference with respect to: (i) the subject matter of this Proof of Claim, (ii) any objection thereto, or (iii) any other proceeding which may be commenced in this case relating to this Proof of Claim or otherwise involving Claimant; (f) an election of remedies; (g) an acknowledgment that Claimant received adequate notice of any bar date fixed in these cases; (h) a waiver of Claimant's right to assert that all or any part of the claim(s) set forth herein or any other claim are entitled to administrative or other priority; or (i) an admission that any valid claims or causes of action exist against Claimant.

8. Nothing in this Proof of Claim shall be construed as an acknowledgment or admission of any liability or obligation on the part of Claimant. Claimant expressly reserve all of their defenses and rights, both procedural and substantive, including their rights with respect to any claim that may be asserted against Claimant by the Debtors or any other person or entity.

9. Claimant does not waive any right to any security held by or for them or any right with respect to any specific assets or any right or rights of action that they have or may have against the Debtor or any other person or persons who may be liable for all or any part of the claim(s) set forth

herein.

10. Claimant reserves their right to exercise any rights of setoff and/or recoupment that it may have, to the fullest extent permissible under applicable law, and any such rights of setoff and/or recoupment shall survive the closing of the Debtor's case. The failure of Claimant to expressly articulate in this Proof of Claim any claims, counterclaims, cross claims, or rights of setoff and/or recoupment shall not be deemed a waiver of any of the same.

11. The filing of this Proof of Claim in no respect waives, alters, or otherwise affects any rights that Claimant may have with regard to any claims created or otherwise arising on or after the Petition Date. Claimant reserves all rights to argue that any right to payment is a post-petition claim.
